

## Peloton's Anaplan Continuous Improvement and Advisory Service

Planning is always changing and evolving, just like your business. With Peloton's Continuous Improvement and Advisory offering, our team can work alongside your planning experts to help enhance your models, improve system adoption, and advise on best practices for your journey ahead. Together, we can assure our Anaplan tools are optimized for today and ready for tomorrow. Here are the top 5 reasons why Peloton is your go-to partner for continuous improvement and advisory:

- 1. Profound Anaplan Expertise:** At Peloton, we have a deep understanding of Anaplan's capabilities. Our seasoned professionals specialize in navigating the intricacies of Anaplan, ensuring your team is not just using the tool but leveraging its full potential for enhanced planning, forecasting, and analysis.
- 2. Business Acumen for Unique Challenges:** We recognize that every team faces unique challenges. Peloton's industry experienced consultants and SMEs collaborate closely with your leaders, crafting customized Anaplan solutions that align seamlessly with your specific business goals. Our business experience and Fit-to-Modern approach ensures that your strategies are not only current but continuously evolving to address the dynamic landscape.
- 3. Efficient Enhancement and Transition:** Peloton's expertise extends beyond theory; we excel in the practicalities of Anaplan implementation and enhancement. Whether you've adopted Anaplan for the first time or are optimizing your latest use case, our skillful project management ensures efficient enhancement of your Anaplan tools. We lay the groundwork for continuous improvement, propelling your processes into the future.
- 4. Comprehensive Training and Ongoing Support:** Innovation is an ongoing journey, and Peloton Consulting Group is committed to supporting your team at every step. We offer comprehensive training programs, empowering your team with the skills and knowledge needed to navigate the evolving landscape of Anaplan and maintain high levels of adoption through your organization.
- 5. Strategic Advisory for Future Success:** Peloton Consulting Group is not just a service provider; we aim to be your strategic partner for future success. By choosing us, you gain a collaborator invested in your long-term innovation goals. We work hand-in-hand with your teams to ensure that Anaplan becomes a catalyst for continuous improvement, innovation, and success.

### About Peloton Consulting Group

Peloton Consulting Group has the vision and connected global capabilities to help organizations envision, implement, and realize the benefits of digital transformation. Our team has the best practices, knowledge, industry expertise, and know-how. We make digital transformation a reality by leveraging Enterprise Performance Management (EPM), Enterprise Resource Planning (ERP), Supply Chain Management (SCM), Human Capital Management (HCM), Customer Experience (CX), Analytics, and Data Management for the cloud. Through connected capabilities, we bring people, processes, and technology together. We help organizations go further, faster. That is the Peloton way!
