

## FP&A Anaplan Accelerator

Leveraging years of experience in finance digital transformation and our Fit-to-Modern process benchmarking methodology, Peloton Consulting Group has developed a Financial Planning & Analysis Solution Accelerator to help jump-start your Anaplan journey.

### Benefits

- 11-15 weeks implementation time to value
- 15+ Best-in-class driver-based planning methods to optimize efficiency & accuracy
- 20+ Pre-built reporting & planning pages to streamline reports & focus on analysis
- 5+ pre-configured data management exception pages to minimize maintenance

### Functionality

- Revenue & Drive-Based Expense Forecasting
- Best Practice Driver Based Workforce & Capital Planning
- Financial Reporting for P&L, Balance Sheet, Indirect Cash Flow & Variance Analysis
- Pre-configured data management dashboards to manage hierarchy exceptions

Peloton Consulting Group is your strategic partner for unleashing the full potential of Anaplan's Connected Planning platform. Our exceptional delivery quality, professional expertise, industry insight, and continuous improvement programs empower you to transform your business and thrive in today's uncertain world. Let's embark on this transformative journey together and unlock new possibilities for your organization's success.

Through connected capabilities, we bring people, processes, and technology together. We help organizations go further, faster. That is the Peloton way!

## Implementation Time to Value 11-15 Weeks
