**Acorn Paper Products** is one of the largest manufacturers and distributors of packaging in the Western US. An independent supplier of custom and stock corrugated boxes, packaging products, and janitorial, sanitary supplies. For over seventy years, Acorn Paper Products have provided their customers with total consultative experience.

#### Oracle Cloud - Solution & Key Accomplishments

Acorn Paper Products original ERP Cloud implementation failed to meet the needs of the business across finance, sales, operations, and customer service, a result from a previous consulting firm's implementation. They had also previously been utilizing On-Premise EBS as their primary financial and order management tool across the the entire organization since 1999. Peloton Consulting Group worked with Acorn Paper Products to seamlessly integrate Oracle Cloud and modernize their processes to keep up with their exponential growth.

The following benefits were achieved by implementing Oracle Cloud:
