Claire's is a global brand retailer for self-expression, creating exclusive, curated and fun fashionable jewelry and accessories, and offering world-leading piercing services.

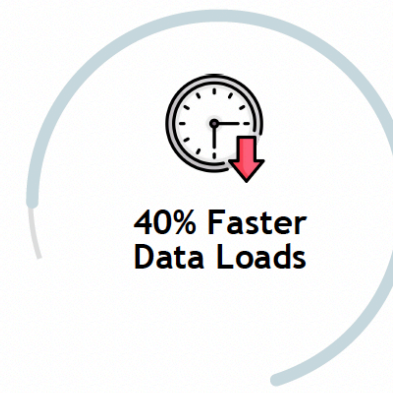

Oracle EPM Cloud - Solution & Key Accomplishments

Working closely with Claire's, Peloton Consulting Group successfully implemented EPM Cloud to replace their older on-premise Hyperion Planning application. The following benefits were achieved over the course of this implementation:

50% Less Accounts

Eliminated 4000 accounts to reduce redundancy across cost centers

40% Faster Data Loads

Automated data loads to significantly reduce processing time

Increased Visibility

Restructured Planning Model to increase visibility into historical data
