Products Purchased: Oracle EPM Cloud - Planning
Systems to be Replaced: Microsoft Excel

Foundation Medicine is a molecular insights company using testing to analyze cancer genes and match them to targeted therapies. Foundation Medicine brings cutting-edge science and technology to everyday cancer care which has evolved into products and services that empower the work of physicians, researchers, and all those engaged in the fight against cancer.

Oracle EPM Cloud - Solution & Key Accomplishments

Based on the recent growth and complexity of the organization, it became apparent to Foundation Medicine's FP&A team that they could no longer continue to leverage Excel to support their business processes and made the decision to move forward with Oracle EPM Cloud.

Leveraging Peloton's Fit-To-Modern methodology and Oracle EPM Cloud - Financial and Workforce Planning, Foundation Medicine gained a scalable, cutting edge solution to streamline their Income Statement and Labor Planning. With the successful implementation of Oracle EPM Cloud, Foundation Medicine achieved the following:

- 
Reduction in manual effort & reporting cycle time
- 
Driver-based revenue, expense & labor planning
- 
Robust customer & standard cost variance analytics
