## Peloton Successfully Replaces SAP with Oracle EPM Cloud at Toyota Finance

FOR ORACLE INTERNAL USE ONLY

### Oracle EPM Cloud Go Live

Toyota Industries Finance Corp. | Coppell, TX | [www.toyotacf.com](http://www.toyotacf.com)

Products Purchased: Oracle EPM Cloud - Account Reconciliation

Systems Replaced: SAP IBP, Excel

Toyota Industries Commercial Finance (TICF) is the proud lender for Toyota Forklifts & Hino Trucks. Their focus is to provide the highest-quality products and services to meet their clients' business needs. TICF has been providing millions of customers and dealers with flexible, scalable solutions since 1985.

### Oracle EPM Cloud - Solution & Key Accomplishments

TICF's previous business environment had been supported by an outdated SAP application and a fragmented array of Excel spreadsheets involving significant manual activities, long cycle times, and limited capabilities for dynamically responding to market place fluidity. TICF implemented a singular, digitally enabled Oracle EPM Cloud - Account Reconciliation platform that focused on the following business processes:

Transaction Matching

Compliance

Automatic Account Matching
